Dear Parents:

“Your word is a lamp to my feet and a light for my path” (Psalm 119:105). Jesus Christ is there to guide us along life’s journeys. Can you share this verse with your child(ren) and talk with him or her about how Jesus has directed you on life’s path?

We will have a short week of school next week. We will have special Earth Day Clean-up Service Project on Wednesday, April 23rd. Please note: students are able to wear jeans (or jean shorts if weather allows) for the whole day. They still must wear an ESPL logo P.E. shirt or uniform top (**NO** choir shirts). Students **MUST** bring work gloves or plastic gloves to cover their hands. I am also looking for car riders to bring brooms, shovels, and rakes. The school and church grounds will be beautiful when we are finished.

Our next trip to the Sun Ray Library is on Monday, May 5th. Your child’s books are due, as well as a book report on a book your child checked out. .

Happy Birthday to Michael Gomez and Pastor Bob yesterday on April 17th. I hope God blessed you on your special day! .

If your child has a summer birthday, we will celebrate your child’s birthday during the month of May or the beginning of June. Look for a special birthday note in your child’s envelope in the coming weeks.

Due to the short week next week, students will not be bringing home a newsletter or an envelope.

Thank you to Mrs. Czywczynski for continuing to come in to our classroom and read to us and thanks to Mr. And Mrs. Gomez for continuing to serve hot lunches each Tuesday. Thanks to those of you who have volunteered to help with our Earth Day Clean-up project.

Between now and the end of the school year, it is important that your child finishes his or her homework and does his or her best. It is easy to let grades slide the last month of the school year when there are more fun things to do outside than sit inside and do homework. Continue to check over your child’s assignment book and return it signed each day. Continue to write your child positive notes and reminders. How is your child doing? Is he or she attempting any or all extra credit? Is he or she studying for all tests? Are you able to help your child study and review his or her assignments? Remember to sign your child’s assignment book each night, as well as write him or her a positive note in it. Kids love getting these notes and it gets their day off to an awesome start. As we draw near the end of the school year, please make sure your child keeps up with his or her homework.

Need information from this newsletter and don’t have it handy? Just visit the school website at www.esplweb.com. Click on Faculty and choose Grades 3 and 4 to get to the newsletters. Quarterly Memory sheets are also posted there too! It should be updated by this weekend.

Help support ESPL while online! Go to www.GoodSearch.com and be sure to enter East St. Paul Lutheran School as the charity you want to support. ESPL will earn about a penny each time you search the web and a percentage of purchases made online.

Blessings on your weekend!

In this week’s envelope:

1. Class newsletter
2. Any other important information
