

Dear Parents/Guardians ,

3/14/08

What a busy time we are having. We are gearing up for the Spring musical on Tuesday(18th) and completing the Iowa Test of Basic Skills. This is an exciting time of the year as Spring approaches and we prepare to celebrate and praise the Resurrection of Jesus.

I am so proud of the class. During Pizza Movie Day they showed their leadership by doing a great job selling the donated goods. They raised \$176.12 for the ASPCA. What a tremendous effort.

Please remember that selling caramels is a great way to pay down the cost of Camp Omega. I have not mentioned much of Camp Omega since the home visits. Remember that we go on May 7th and return on the 9th. It is always an exciting and fun learning experience. Thank you for your attention.

Kid in Christ:

Mr. Andrew Strickland
